

Cybersecurity Quiz Ethics Question

Name: Isaac Adebayo

Date: February 16th 2026

Question and Feedback

According to the paper "Practical Cybersecurity Ethics: Mapping CyBOK to Ethical Concerns" by Ivan Flechais and George Chalhoub

What are the recommendation to maximize cybersecurity ethics and some implication for professional practice.

The author suggest that it is important to consider and investigate how ethical breaches could lead to disciplinary proceedings and affect professionals' license to practice cybersecurity. Also, it is crucial for ethical awareness and training to be integrated into and throughout the education of cybersecurity professionals
